However, under certain circumstances determined by the client's remaining account balance, the credit deduction may be reduced or waived. Clients holding open positions at the time of credit deduction or bonus removal must ensure sufficient margin remains in the account to maintain these positions and avoid potential liquidation.
- 5.13. If your account equity is less than the trading credit on your account, the remaining credit may be withdrawn at our discretion, which could, in turn, force a stop out of all open positions.
- 5.14. Bonus can be used to hedge losses.
- 5.15. This promotion cannot be used in conjunction with other promotional privileges. If the client is already participating in an ongoing promotion, the previous promotion needs to be completed before joining a new one. If the client terminates the previous promotion before completing it, the client needs to acknowledge that all bonuses and rewards have been given up voluntarily.
- 5.16. Clients have the full obligation to keep a sufficient margin level within the promotion period. Withdrawal or bonus cancellation might result in a lower margin for your positions and might cause liquidation due to insufficient margin. Clients should carefully consider their risk tolerance level and financial situation prior to making any withdrawal request.
- 5.17. "During the promotional period, STARTRADER reserves the right to disqualify participants, revoke eligibility, deduct improperly obtained promotional benefits, or terminate its business relationship with any client found to be in material breach of these Terms and Conditions.

Improper or abusive trading behavior includes, but is not limited to, the following:

- i. Operating multiple accounts from the same IP address with the intent to exploit promotions;
- ii. Engaging in arbitrage trading using multiple accounts, whether within STARTRADER or across different brokers;
- iii. Using strategies such as scalping, high-frequency trading, latency arbitrage, or malicious hedging in a way that disrupts platform integrity;
- iv. Placing abnormally large or disproportionate trades during key trading periods without a sound trading rationale;
- v. Replicating similar trades across accounts to artificially increase exposure;
- vi. Concentrating trading activity on a narrow range of products in a way that creates abnormal risk conditions;
- vii. In bonus-related promotions, allocating more than 70% of trading volume to a single product or maintaining a consistently one-directional trading strategy;
- viii. Any other behavior deemed to be a violation of the STARTRADER Client Agreement, including behavior reasonably defined as default events or suspicious trading activity.

STARTRADER retains discretion in identifying abusive trading activity. However, we are committed to fair and reasonable evaluation and, when feasible, will provide a general explanation if promotional benefits are withheld or accounts are disqualified.

To protect platform integrity and client confidentiality, STARTRADER may not disclose detailed methodologies or internal risk detection systems used in these assessments. In the event of disputes, clients are encouraged to contact STARTRADER support for resolution.

Clients are also expected to engage respectfully in all communications. While STARTRADER respects the right to share opinions and experiences, it reserves the right to respond to defamatory or knowingly false public statements that may cause reputational harm, including by pursuing appropriate legal remedies where necessary."

- 5.18. When a client's balance becomes negative during the promotion, the bonus will be offset against the loss caused by the negative balance. When your negative balance exceeds 1,000 USD, STARTRADER reserves the right to refuse the client's request to clear the negative balance.
- 5.19. STARTRADER reserves the right to amend, suspend, or terminate the Promotion at any time, without prior notice and at its sole discretion.

- 5.20. Translations of these Terms and Conditions are provided for convenience only. In the event of any inconsistency or discrepancy, the English version shall take precedence.

## 6. Risk Warning

- 6.1. The purpose of the bonus is to increase the chance of profits, not to provide a credit loan. In this way, clients should always be aware of the actual margin amount at any time. When the actual available margin in your account is insufficient, you shall add more margin in time to avoid automatic position closure. Accordingly, please note that STARTRADER will not be responsible for any risks emitted from the above-mentioned.
- 6.2. This promotion is intended solely for marketing purposes and should not be construed as investment advice, financial guidance, or a recommendation to participate in any specific trading strategy or activity. STARTRADER does not offer personalized investment advice, portfolio management, or discretionary trading services as part of this promotion.
- 6.3. All trading decisions made by participants are entirely their own responsibility. Trading leveraged derivative products, such as Forex and CFDs, carries a high level of risk, and may result in losses that exceed the initial capital invested. Participants should carefully consider their financial situation, trading experience, and risk tolerance before engaging in any trading activity.
- 6.4. Participation in the promotion does not reduce or eliminate the risks associated with trading leveraged financial products. Meeting the promotion's criteria should not be interpreted as a recommendation to increase exposure or trading activity. Participants are encouraged to seek independent financial or professional advice before participating.
- 6.5. This promotion is open only to eligible clients who meet all conditions outlined in the terms and conditions above. Participation in this promotion is entirely voluntary, and by choosing to participate, participants acknowledge that they have reviewed, understood, and agreed to these terms. This promotion is not available to residents of jurisdictions where such promotions are prohibited, restricted, or require regulatory authorization, including but not limited to countries or territories with financial marketing restrictions. It is the sole responsibility of each participant to ensure that their participation complies with any applicable local laws or regulatory obligations.
